Dear Ms. Lichtman:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Schedule A supporting Line 15 of your report discloses a payment from "Grassroots Solutions." It appears this receipt was for goods and/or services provided by your committee. Pursuant to Advisory Opinion 1979-18, the sale/purchase price paid to a political committee could involve the receipt of a contribution from a purchaser if the purchase price exceeds the "usual and normal charge". The term "usual and normal charge" for goods is defined as the price of those goods in the market from which they ordinarily would have been purchased at the time of the contribution. Examples of goods and services include equipment, supplies, personnel, advertising services, membership lists, and mailing lists. 11 CFR §100.52(d)(1) and (2)

Please clarify whether your committee assessed the usual and normal charge for the goods and/or services you provided and explain the steps your committee took in determining the amount charged. If your committee provided the goods and/or services at more than the usual and normal charge, the difference between the two is considered to be an in-kind contribution received by your committee from a corporation and is

prohibited subject to the limits set forth at 2 U.S.C. §441b(a)

-Schedule A supporting Line 17 of your report discloses a payment(s) from an individual for apparent goods and/or services provided by your committee. Pursuant to Advisory Opinion 1979-18, the sale/purchase price paid to a political committee could involve the receipt of a contribution from a purchaser if the purchase price exceeds the "usual and normal charge". The term "usual and normal charge" for goods is defined as the price of those goods in the market from which they ordinarily would have been purchased at the time of the contribution. Examples of goods and services include equipment, supplies, personnel, advertising services, membership lists, and mailing lists. 11 CFR §100.52(d)(1)

Please clarify whether your committee assessed the usual and normal charge for the goods and/or services you provided and explain the steps your committee took in determining the amount charged. If your committee provided the goods and/or services at more than the usual and normal charge, the difference between the two is considered to be contribution(s) received by your committee from an individual and may be prohibited subject to the limits set forth at 2 U.S.C. §§441a(f) and 441b or 11 CFR §110.1(d).

-Schedule B of your report discloses reimbursements to individuals for "Copying/Faxing," "Office Supplies Reimbursement" and "Postage." Please be advised that when itemizing reimbursements to individuals for goods or services, if the payment to the original vendor aggregates in excess of \$200 in a calendar year, a memo entry including the name and address of the original vendor, as well as the date, amount and purpose of the original purchase must be provided. Please amend your report to include the missing information and clearly identify on the Schedule B, which reimbursement each memo entry relates to. If itemization is not necessary, you must indicate so in an amendment to this report. 11 CFR §104.9, and Advisory Opinions 1992-1 and 1996-20, footnote 3

-Schedule H4 of your report discloses reimbursements to individuals for "Office Supplies Reimbursement," "Telephone," "Postage," "Office Supplies Expenses," "Telephone Reimbursement," "Internet Services," "Printing" and "Rent." Please be advised that when itemizing reimbursements to individuals for goods or services, payment to the original vendors must be itemized as memo entries regardless of amount. Each memo entry must include the name and address of the original vendor, as well as the date, amount and purpose of the original purchase

must be provided. Please amend your report to include the missing information and clearly identify on the Schedule H4, which reimbursement each memo entry relates to. 11 CFR §§104.10 and 104.17, and Advisory Opinions 1992-1 and 1996-20, footnote 3

-Schedule H4 of your report discloses a reimbursement(s) to an individual(s) for apparent travel and subsistence advances in which the total amount reimbursed exceeds \$500. When the reimbursement amount to staff for travel and subsistence advances exceeds \$500, the payments by committee staff that make up the reimbursement have to be itemized as memo entries regardless of the amount. Each memo entry must include the complete name and address of the original vendor, as well as the date, amount and an adequate purpose. Please amend your report to include the missing information and clearly identify on the Schedule H4, which reimbursement each memo entry relates to. 11 CFR §§104.10 and 104.17, and Advisory Opinion 1996-20, footnote 3

-Schedule H4 of your report discloses payments to "ACE Beverage," "Wyndham Phoenix" and "American Express," which are categorized as Administrative expenses; however, the purposes of disbursement disclosed are "Catering/Facilities" and "Catering/Facilities/Travel." Please be advised that payments made for your committee's fundraising activities must be allocated according to the funds received method and the ratio reflected on Schedule H2. Please amend your report to clarify the appropriate category for this activity or provide clarifying information regarding this apparent discrepancy.

-Itemized disbursements must include a brief statement or description of why the disbursements were made. Please amend Schedule(s) H4 of your report to clarify the following description(s): "Equipment Rental." For further guidance regarding acceptable purposes of disbursements, please refer to 11 CFR §104.3(b)(3).

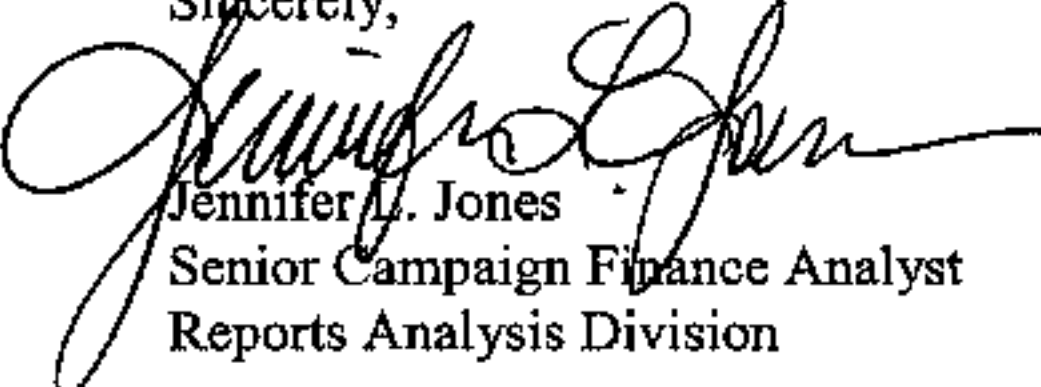

**Please note, you will not receive an additional notice from the Commission on this matter.** Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.
